§ 921. Definitions

(a) As used in this chapter—

...

(3) The term “firearm” means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device. Such term does not include an antique firearm.

...

(25) The terms “firearm silencer” and “firearm muffler” mean any device for silencing, muffling, or diminishing the report of a portable firearm, including any combination of parts, designed or redesigned, and intended for use in assembling or fabricating a firearm silencer or firearm muffler, and any part intended only for use in such assembly or fabrication.

18 U.S.C. § 923

§ 923. Licensing

(g)(1)(A) Each licensed importer, licensed manufacturer, and licensed dealer shall maintain such records of importation, production, shipment, receipt, sale, or other disposition of firearms at his place of business for such period, and in such form, as the Attorney General may by regulations prescribe. Such importers, manufacturers, and dealers shall not be required to submit to the Attorney General reports and information with respect to such records and the contents thereof, except as expressly required by this section. The Attorney General, when he has reasonable cause to believe a violation of this chapter has occurred and that evidence thereof may be found on such premises, may, upon demonstrating such cause before a Federal magistrate judge and securing from such magistrate judge a warrant authorizing entry, enter during business hours the premises (including places of storage) of any licensed firearms importer, licensed manufacturer, licensed dealer, licensed collector, or any licensed importer or manufacturer of ammunition, for the purpose of inspecting or examining—

(i) any records or documents required to be kept by such licensed importer, licensed manufacturer, licensed dealer, or licensed collector under this chapter or rules or regulations under this chapter, and

(ii) any firearms or ammunition kept or stored by such licensed importer, licensed manufacturer, licensed dealer, or licensed collector, at such premises.

...

(4) Where a firearms or ammunition business is discontinued and succeeded by a new licensee, the records required to be kept by this chapter shall appropriately reflect such facts and shall be delivered to the successor. Where discontinuance of the business is absolute, such records shall be delivered within thirty days after the business discontinuance to the Attorney General. However, where State law or local ordinance requires the delivery of records to other responsible authority, the Attorney General may arrange for the delivery of such records to such other responsible authority.

...

(i) Licensed importers and licensed manufacturers shall identify by means of a serial number engraved or cast on the receiver or frame of the weapon, in such manner as the Attorney General shall by regulations prescribe, each firearm imported or manufactured by such importer or manufacturer.

18 U.S.C. § 926

§ 926. Rules and regulations

(a) The Attorney General may prescribe only such rules and regulations as are necessary to carry out the provisions of this chapter, including—

(1) regulations providing that a person licensed under this chapter, when dealing with another person so licensed, shall provide such other licensed person a certified copy of this license;

(2) regulations providing for the issuance, at a reasonable cost, to a person licensed under this chapter, of certified copies of his license for use as provided under regulations issued under paragraph (1) of this subsection; and

(3) regulations providing for effective receipt and secure storage of firearms relinquished by or seized from persons described in subsection (d)(8) or (g)(8) of section 922.

No such rule or regulation prescribed after the date of the enactment of the Firearms Owners' Protection Act may require that records required to be maintained under this chapter or any portion of the contents of such records, be recorded at or transferred to a facility owned, managed, or controlled by the United States or any State or any political subdivision thereof, nor that any system of registration of firearms, firearms

owners, or firearms transactions or dispositions be established. Nothing in this section expands or restricts the Secretary's authority to inquire into the disposition of any firearm in the course of a criminal investigation.
